

Crane Services

- Patriot's Crane Services group includes a large range of modern cranes to support Coiled Tubing, Wireline and other services
- Coiled Tubing operations are supported by 110T Link-Belt and 80T Terex cranes.
- 245T and 250T cranes also support operations both at the wellsite and for coiled tubing reel swaps.
- Wireline operations are supported by 80T Terex, 60T Extended Reach and 55T National cranes
- Experienced and dedicated crane operators are NCCCO certified
